Find out how to add 4 Commission boosting tools to any affiliate link in seconds...and grab an un-fair advantage over other affiliates! From: Leon Johnson Dear affiliate marketers and webmasters, Check out 4 awesome tools that will turbo charge your affiliate links, and instantly increase your commissions... 1. You can add an un-blockable popup to any affiliate link. Virtually every major marketer online uses them now... and the popup blockers can't stop them. 2. You can add audio to any affiliate link. You know Armand Morin and all the other big name marketing guys use audio on their sites to help them increase conversion rates. Why do they use audio... because it works. 3. You can add proactive live chat to any affiliate link. By showing there is a human behind your business, people will trust your site and your advice a lot more. This extra trust leads to extra sales. 4. You can add a completely un-blockable exit screen to your affiliate links. My programmer figured out a way to add a totally unblockable exit screen to any affiliate link. Every visitor you send to your new turbo charged affiliate link, WILL SEE this second page, which can be any page you want it to be. Will this really help ME increase MY commission checks and build MY own list? Leon Johnson P.S. Absentee resellers sell many digitals for less than I do, but quite often getting something for less is often less of everything...connecting with them is less, so customer service is less, getting support for issues with the product file or download is much less. They don't charge much of anything for what they are trying to sell so why should they devote time and customer service on what they don't profit on? I on the other hand am not an "ABSENTEE" seller, I am just a click away (Mon - Sat) for support and product issues should they ever arise. I answer all email promptly. Why? Because I genuinely want to do business with you! ...Test me! Use the "CONTACT SELLER" link near the top of this page (near the words "FILE DATA")! Use my contact form above "Subject" is "Just Testing". I will respond with a FREE (no charge) "CREDIBILITY" treat in appreciation for your taking time to test my credibility.
