It's the early 21st century and a devastating biochemical weapon has been unleashed in the atmosphere, decimating the global population. Now, with a population only in the tens of millions, the Knights Templar re-emerge and make an effort to take over the Earth and create their New Jerusalem, a Heaven on Earth. The Templars are making headway but there is a thorn in their plan - in the remote mountains of Slovakia, an Englishman, his young son and a group of American Peace Corps volunteers stand their ground, prepared to fight for survival against both the Templars' tyranny and the harsh freezing winter. Windblown is a story of survival, love and human relations in a depopulated world.
