

Coercion As Cure: A Critical History Of Psychiatry - Thomas Szasz

[DOWNLOAD HERE](#)

[Thomas Szasz] presents a stinging indictment that dares to question conventional beliefs, and deconstructs modern psychiatry itself, arguing that it has no right to be dubbed a medical science. Coercion as Cure takes its title from Szasz's observation that the defining features of psychiatry is its use of force; though sometimes psychiatrists deal with voluntary patients, all too often psychiatrists "diagnose" and "treat" people without their consent or against their clearly expressed wishes. A harshly critical assessment of the modern psychiatric medical system.
