

Dijet Angular Distributions In Proton-proton Collisions

[DOWNLOAD HERE](#)

From the contents: Introduction.- Introduction to QCD and Collider Physics.- NLO Monte Carlo Techniques.- Dijet Physics at Colliders.- Gravitational Scattering and Black Holes in Large Extra Dimensions.- The ATLAS Experiment.- Jet Reconstruction.- Jet Reconstruction with 2010 ATLAS Data.- Dijet Angular Distributions at $s = 14$ TeV: A Phenomenology Study.- Preparing ATLAS for the Measurement of Dijet Angular Distributions at $s = 7$ TeV.- Measurement of Dijet Angular Distributions by ATLAS.- Conclusions and Outlook. EAN/ISBN : 9783642245978 Publisher(s): Springer, Berlin Format: ePub/PDF Author(s): Boelaert, Nele
