With an open, honest, and conversational style, a minister who also manages and a manager who also ministers share insights they've gained through failures, successes, and struggles in their personal and professional journeys. From crises in the family business to existential struggles in the face of recurring cancer, what they show us is this: the heart and soul of leadership is found in following: following your call, following others' input, following your failures, following change, and even following the unknown. If you seek wisdom for your journey, if you seek a life of deep dedication and fulfillment, this book is for you. Author: Olds, J.
