Magic of Three Jenna Castille Julian is the Visionary, with the power to see through time and control the ritual to stop hell from breaking loose. Now Las Vegas faces a new portal opening and Julian has only his lover Tim at his side. Tim is the Empath. His ability to project positive emotions can seal the portal and hold the gates to hell closed. But no matter how strong their love and powers are, Julian and Tim cannot save the world alone. Lisa is the Catalyst. Even though she loves the simple life she's made for herself she feels drawn to the bisexual couple she just met and their offer of a threesome. But their stories of prophecies, reincarnation and sex magic have no place in her reality. Visionary, Empath and Catalyst-three people stand between the mortal world and a gateway to hell. Now Julian and Tim must convince Lisa to believe in their love for her before the demon horde descends on Sin City.
