

# Master Web Graphics

[DOWNLOAD HERE](#)

If you're creating your own web sites, selling on eBay, creating ebooks, or even just sharing private photos online with your family, chances are you're working with graphics. You know what I'm referring to when I say graphics, right? Not text - like this - but a graphic (like the header at the top of this page). Graphics online come in all shapes, sizes and colors ... they're as much part of the web as the alphabet! Now, maybe you're a dab hand at working with graphics. If you are, this letter really isn't for you. However -- if you've never worked with graphics before, are new to working with graphics, want a refresher course, or just want to improve your webmaster skills, read on...
