Mp3 Apollo Quartet - The Eleventh Hour

DOWNLOAD HERE

Apollo Quartet's driving, melodic rock sound manages to capture both uniqueness and accessibilty. 10 MP3 Songs ROCK: Modern Rock, ROCK: Emo Details: Apollo Quartet, created in the summer of 2002, has had a promising start. After releasing a self-produced debut entitled "Modern History," the group landed legendary indie artist and producer J Robbins for their latest release, "The Eleventh Hour." The album is a balanced post-rock affair, toting catchy, energy-packed hits like "This Time Around" with more introspective tunes like "The Last Great Holdout" and the closing "Wrapped in Silence." Currently, Apollo Quartet is working on new material and playing shows frequently in the southeast. Members are Wes Jones: vocals and guitar, Sam Marine: guitar, Josh Jenkins: bass, Chris Marine: drums.
