Real Hip-Hop. 16 MP3 Songs HIP HOP/RAP: Hip Hop, URBAN/R&B: R&B Rap mix Details: BORN EQUALITY Nature of the Son Born Equality was born in Philadelphia, PA. Born was moved to South Carolina when he was sixteen. He describes this move as a blessing in disguise because in he Philly he spent most of his time in the streets. Although this move was for the better, his life was still no easier. The move to Florence, SC prove to be one of many turns not all of them good. It was these trials and tribulation that exudes through this album. Raised on the crux of Hip-Hop coming to the forefront of America, Born has grown bitter with how the industry and mindless ditties have turned the rawness of Hip-Hop into what he calls Bubblegum rap. It serves very little purpose- like gum after you chew on it for a while its tasteless and still leaves you hungry. Todays rap is similar its tasteless and after listening youre still hungry for knowledge or something thats more emotionally filling. This CD chronicles my growth as a hip-hop artist and gives the listener something to think about even after they stop listening to the music.
