Finger-picking, travis-picking, traditional folk style, mixed with some modern groove as well. There's also some great story-telling with monumental imagery. 10 MP3 Songs FOLK: Folk Pop, COUNTRY: Americana Details: "Steeped in Searing Southern Romance and Modern Acoustic Groove." Nearly 30 years since Macon, Georgia's legendary "Capricorn Era," amidst a young generation of eclectic Southern Soul lyricists and composers, one Georgia songwriter pierces the fabric of modern jam with unforgettable melodies and an "ornate sense of charm." Brent Lindley shares two things with audiences: a music-lover mentality and reverence for classic Southern romance. Brent received his first guitar for his 14th birthday. He mimicked greats ranging from The Allman Brothers Band, Jim Croce, Steely Dan, Willie Nelson and Gordon Lightfoot. He began to write his own songs when he joined the United States Air Force at age 19. Traveling the world for 4 years in the military gave Brent the experience he needed to write great songs. Today Brent continues to grow as an artist. He plays solo and with bands. His instrumental line up includes Spanish guitar, electric guitar, steel string guitars, and he sings his heart out." People who are interested in Gordon Lightfoot Woody Guthrie Willie Nelson should consider this download.
