Unique R&B New sounds for the grown and sexy. 13 MP3 Songs URBAN/R&B: R&B Pop Crossover, HIP-HOP/RAP: Southern Style Details: " My AutoBiography" Welcome, To my world. Why Don't you come on in, and let me tell you a liittle bit about Myself. My name is Cassandra better known as... Casa that is of course in the music world. On this Journey of being and becoming one of the most popular artist and songwriters of this new day. My foundation and formula for this is, Music + Creativity = Making it happen. Music took control of me years ago the old fashion down south way very powerful and profound a mixture of Gospel and blues. Hardly recognizing very young the passion I carried inside for music, it took trials and tribulations for these songs I wrote to come out of my soul. Now," I would like to share my inspirational style of my new CD title Casa with you were I know there is room for me in your world of music. Signing Off.....Casa
