Native American flute music 16 MP3 Songs WORLD: Native American, NEW AGE: Meditation Details: Danuwa analihhi Adonvdo is a new Native Flute artist that in only just a short time has recorded not one CD but seven Cd's in 2006 alone. All are from the Creator and gives thanks to the music that Creator gives him by playing for others. He has been playing for 37 years as a flute player. As a request by friends he has started to record Cd's. His first Cd, Native Roots released 1-18-06, was a limited release of 50 Cd's and each of them were customized and signed. No two were exactly alike. It is now sold out. The 2nd Cd, Rainbow Warriors released, 3-4-06, is a very spiritual cd unlike Native Roots which was meditational and uplifting. It tells the Rainbow Warriors prophesy of the Cree tribe version and has chants, flutes and drums. The title "Healing" is very spiritual with voice overlays of Danuwa chanting for 6 minutes. One can only sit and imagine elders sitting around a fire in a unison prayer. His third "Four Directions". released 6 - 9 -06, tells of how in the morning Danuwa says prayer to the Four directions. Four Directions Prayer Used in Four Directions was written by Vera Dery. Our thanks for the use of her prayer on the cd. It is quite spiritual to listen as each part of the prayer is followed by music. "Brother Bear of the West" is a up tempo and you hear the bear sound in the background. As you get to the middle part of the Cd you find yourself relaxed and mellowed. "Celebration" as you near the end of the Cd is a 13 minute masterpiece as Danuwa uses all his flutes for this song. His fourth Cd is Trio, released on 6 -9 -06. It is made up of songs taken from the previous 3 Cds. It is an affordable Cd for people who are on a budget, using slim cases and less paper for the inserts makes this a Cd in which folks can afford and get the a little of all 3 Cds on it. The 5th Cd is "Native Roots 2", released on 6 - 30 -06 which re-releases all the tracks from the original "Native Roots" Plus extra recordings. All are mainly in flute music. Only a few songs are done with drums. The 6th Cd is "Brother Octagon Of The Animals", released 7-4 -06 and has

drums, bells, rattles flute. This cd is dedicated to , in memory honer of Brother Octagon, He ran a non profit wild life sanctuary, on donations alone. He took in all animals, wildlife or domestic. He will be sadly missed by the animals and people. Danuwa has now released his seventh Cd " Elder Spirits " ,released 12-8-06 . This was a six month project in which 90 different demos were recorded.
