gutta straight in ya face raw and uncut live and direct undaground rap 15 MP3 Songs HIP HOP/RAP: Southern Style, HIP HOP/RAP: Hardcore Rap Details: Coming from seperate walks of life, Di'amond a California native and luni Were to destined to croos paths. Di'amond remembers back to rapping on a aiwa dual tape deck. While Luni performing at an early age. exposed to great studios. Luni and di'amond met at Di'amond's grannies house they was plottin on an early take over, Di'amond at sixteen and luni at 19. They been through many trials, but nothing could stop either of the two's inspiration.Luni went on to start his own group C.M.D. while Di'amond had Diamond Intha Ruff Records. During this period luni was living in Michigan gettin his paper, Di'amond was back and forth to jail a couple times and grinding on the block gettin paper. Now yung screw came in the picture around this time down and out, di'amond took screw under his wing lettin him stay at his crib. screw really put di'amond up on game in dem streets. because yung screw is the streets born raised in em. While on the other side j-koo had bumped in to luni and they started droppin em like they was hot. I mean these guys were pushin out albums left right. Luni and Di'amond end the end as always crossed paths and decided it was on. C.M.D Creative minds are dangerous became combined minds are dangerous. Di'amond let the streets get the best of him and he went to jail. Luni held it down kept the spirit up. with good friend Riches.. Things changed up again and di'amond and luni veared paths again. while in jail Di'amond hooked up with young gangsta and they immediatly started writing looking for the day of release. When Di'amond got out He realized once again that he's at his best when partnered with the infamous loo gangsta.. jicy was trying to tell Di'amond and Luni the whole time she was ready but luni and di'amond wasn't tryin to hear it until one day they said let's just give it a shot and she impressed them so much that they signed that day j-butta she's hardcore. and that was the first draft of D.A.V. LATER ON CAME TIM MABSON AND J
