

## Mp3 Idumea - El Peligro De La Verdad

[DOWNLOAD HERE](#)

If they are only words, why do they kill the poets? Discover Idumea as they explore truth and love through their unique rhythmic blend. The music is lyrical and earthy, designed to touch the soul and challenge the mind. 11 MP3 Songs WORLD: World Fusion, LATIN: General Details: This music is a blend of Latin, folk and rock influences. The rhythms and melodies catch the ear and the lyrics stimulate the soul. Traditional love ballads and folk rock messages permeate the pieces on the album. The music is at times soft, lyrical and classical, but also hard and forceful. These songs are an example of the passion that is found in music. Music should carry a message, as it speaks to the deepest of human emotions. With Kent Jensen leading the way with guitar, vocals and keyboards, complimented by Jeff Ringles percussion, along with Ana Boyds vocals and viola work, the album spans genres that are sure to satisfy anyones taste.
