An epic horrorcore rap album influenced by horror movies, comic books, religion, and the unexplained. Leo K3 and the Darkside Clique combine hip-hop and metal elements in order to deliver this funny and frightening concept album. 20 MP3 Songs METAL: Rapcore, HIP HOP/RAP: Hardcore Rap Details: Leo K3 is a producer, songwriter, engineer, vocalist, and live performer from Northeast Indiana. Leo K3 produced and wrote his debut album, The Battle for Innocence, which contains songs ranging from Hip Hop to Horrorcore. Additionally, he has produced songs and remixes for many of Fort Wayne, Indiana's most notable Hip Hop artists, including Third Frame, Sankofa, and Sub-Surface. He has also collaborated with pop acoustic and rock acts, including Sirface and Adam Atherton. His remixes and songs have been featured on the X 102.3 local radio show, local artist CD releases, and various CD compilations. As an engineer, Leo K3 recorded his debut album in the basement of his home, which has been converted into a computer based recording studio, complete with a control room and vocal booth. After several of his demo mixes were heard by area artists, his studio, which was originally intended for personal use, became known as a place where artists could come to receive professional recording services. Leo K3 and his band, The Darkside Clique, have developed a live show that incorporates rap vocals, electric guitar, and an energetic performance that is rarely seen by a Hip Hop audience.
