Electronic Pop music to rock your body and mind 5 MP3 Songs ELECTRONIC: Dance, POP: with Electronic Production Details: This new duo hit Number One on two charts in their first 30 days. Their debut EP, Look Into the Mirror, took the Club and Electronica charts by storm holding number one spot on Purevolume. They also broke out with the number 10 spot on Pop, and 41 over all combined genres. They also received awards from Garageband including dance track of the day. All this happened within 30 days of their first independent release. The songwriting team changed their focus last summer from writing for other artists to delivering their own upbeat version of electronic pop. With this first EP, they've definitely delivered. They are hitting the internet streets fast, being one of seven artists chosen to represent MusicDish Network at the international music conference, MIDEM, in January at Cannes, France. Interest in their music has far exceeded expectations, with fans popping up from every continent around the globe. When asked about the reasons for the sudden success, Teft says "That's not up to us. That's for the fans to decide. We're here to meet fans, have fun, make music you want to hear and never get out of your head. Let us know what you like, what you don't like and what makes your perfect song. We'll explore new music territory with you. We're listening, we're writing and we're recording for you."
