The CD was recorded for the purpose of blessing the sick and shut in, the incarcerated and broken spirited. Her husband Christopher Allen Liddell, (renowned bass player in Milwaukee, Wisconsin), is the producer of the project. Evangelist Liddell adores praising, magnifying and worshipping her God! She states that her praises to God has "Silenced the enemy" many times. "When we go into the presence of God, it is no longer about the situations that are at hand, but it is all about you and Him. He will show you yourself, in His awesome, holy presence". We are in a time that we must worship the Lord in Spirit and in Truth. John 4:23
