

Mp3 Peter Ridgway - New Creation

[DOWNLOAD HERE](#)

Top 40 Hits 11 MP3 Songs POP: Today's Top 40, SPIRITUAL: Christian Rap Details: Producer/ Song writer/ Record Executive/ DJ/ Peter Ridgway has done it all. He grew up in the midwest and at the age of 12 started to DJ, Produce, and write his own music. At 19 he made a decision to move to Orlando, FL. where he worked along side the industry's best producers, and major record labels such as Jive, Sony. He was blessed to be around many platinum selling artist's such as the Backstreet Boys, LFO, Justin Timberlake. After gaining the knowledge from the industry's best he then formed his own production company, and music studio. For the past several years Ridgway has spent most of his time producing for various artist. "I've always had a passion to make my own album but I never had the time I was always to busy developing other artists, but I promised myself in 2007 I was putting out an album" So after much prayer and hard work Ridgway's album is finally here. His unique style of nylon guitar/ and smooth beats makes for a laid back summertime feel. The album is entitled "New Creation" is Ridgway's first, but guaranteed not to be the last.
