"The Yum Yum Tree led by the mysteriously haunting presence of sultry bassist Andy Gish - recalls the best moments of late 80's pixies and Throwing Muses without borrowing directly from the source."

Creative Loafing Atlanta, GA 11 MP3 Songs POP: Power Pop, ROCK: Modern Rock Details: Described as a mixture of the oddities and gusto of PJ Harvey, the lush vocals of Mazzy Star and addictive hooks of Magnapop, The Yum Yum Tree has been spawned in Atlanta, GA by Texas raised Andy Gish. Named one of Atlanta best live acts of 2001, The Yum Yum Tree serves up their own distinctive sound that offers something you can really sink your teeth into. Nibble... Nibble... BITE!
