Sea shanties and Celtic, Americana, bluegrass 14 MP3 Songs FOLK: Celtic Folk, FOLK: Sea Shanties

Details: Originally released in 1988 under the Kicking Mule label. This was the group's first recording with an established label and it's first on the new CD format. Expertly recorded, the album shows that the guys were developing a unique style and confidence. Woods Tea fans will note the first appearance of "Foolish Questions" by Rusty which would become a standard at all Woods Tea live shows until his death. It was also the last recording of the original Rusty, Bruce and Mike line-up. People who are interested in The Chieftains The Kingston Trio should consider this download.
