

One Wish - Calista Fox

Jillian Anderson is at her wits end when it comes to the crazy mishaps and constant problems she encounters when she takes over her uncle's bar, the Old Age Saloon. She's up to her eyeballs in debt and bad luck. To make matters worse, Jillian has a bad case of unrequited love for bad boy Luke Parsons. They set the sheets ablaze at night, but by the light of day, Luke is as elusive as the eternal bliss her uncle had promised her when she took over the saloon. But Sedona, Arizona, is a mystical place to live, and when a playful genie hopped up on spicy, tequila-laced pickles offers her one wish, Jillian finds she has to open her own heart in order to win Luke's. Does the genie hold the key to bringing Jillian and Luke together forever? TO MY READER: At a barbecue last year, my parents introduced me to this little delicacy called a "Wickle." It's a spicy pickle, and my dad loves them. So I thought it would be fun to take the concept of the Wickle a step further and add a magic ingredient to it-tequila. When a feisty genie samples the creation, she's willing to grant any wish in exchange for more! And, as it happens, lovelorn Jillian Anderson is in desperate need of a few wishes-or miracles-when it comes to too-hot-to-handle Luke Parsons. I hope you find Jillian and Luke's romance, helped along by a mischievous genie hopped

up on Wickles, a delicious treat!
