

Racist America: Roots, Current Realities, And Future Reparations - Joe R. Feagin

[DOWNLOAD HERE](#)

Despite the apparent advances since the civil rights era, America remains fundamentally racist, argues award-winning author Joe Feagin. Racist America is a bold, thoughtful exploration of the ubiquity of race in contemporary life. From a black New Jersey dentist stopped by police more than 100 times for driving to work in an expensive car to the labourer who must defend his promotion against charges of undeserved affirmative action, Feagin lays bare the economic, ideologic, and political structure of American racism. In doing so he develops an antiracist theory rooted not only in the latest empirical data but also in the current reality of racism in the U.S. Author: Feagin, Joe R.
