

The Great Wood: The Ancient Forest Of Caledon - Jim Crumley

[DOWNLOAD HERE](#)

The Great Wood of Caledon - the historic native forest of Highland Scotland - has a reputation as potent and misleading as the wolves that ruled it. The popular image is of an impassable, sun-snuffing shroud, a Highlandwide jungle infested by wolf, lynx, bear, beaver, wild white cattle, wild boar, and wilder painted men. Jim Crumley shines a light into the darker corners of the Great Wood, to re-evaluate some of the questionable elements of its reputation, and to assess the possibilities of its partial resurrection into something like a national forest. The book threads a path among relict strongholds of native woodland, beginning with a soliloquy by the Fortingall Yew, the one tree in Scotland that can say of the hey-day of the Great Wood 5,000 years ago: 'I was there.' The journey is enriched by vivid wildlife encounters, a passionate and poetic account that binds the slow dereliction of the past to an optimistic future. Author: Crumley, Jim Publisher: Birlinn Illustration: N Language: ENG Title: The Great Wood: The Ancient Forest of Caledon Pages: 00192 (Encrypted EPUB) On Sale: 2011-10-04 SKU-13/ISBN: 9781841589732 Category: Nature : Plants - General Category: Nature : General
