The latest in the wildly popular One Step at a Time series, AutoCAD 2006: One Step at a Time includes everything you'll need to know to get started using the world's most popular design program. Our familiar three-column instructional approach (Tools - Command Sequence - Steps) is still unsurpassed in AutoCAD training programs. The author's friendly style and mastery of the material makes readers and students alike feel as though he's sitting at their elbow while they work. He turns AutoCAD into a fun learning experience! The 2006 text has been fully updated as well as being reformatted to reduce the cost to readers. Additionally, the eBook is now in full color and has been reformatted to reduce download time/size!
