

Common Factors In Couple And Family Therapy - , Sean Davis

[DOWNLOAD HERE](#)

Grounded in theory, research, and extensive clinical experience, this pragmatic book addresses critical questions of how change occurs in couple and family therapy and how to help clients achieve better results. The authors show that regardless of a clinician's orientation or favored techniques, there are particular therapist attributes, relationship variables, and other factors that make therapy specifically, therapy with couples and families effective. The book explains these common factors in depth and provides hands-on guidance for capitalizing on them in clinical practice and training. User-friendly features include numerous case examples and a reproducible common factors checklist.
