Emperor of the Wind Charlotte Boyett-Compo WindVerse, Book Eight. Ryden Bakari is the Emperor of Aduaidh Prime, the Burgon, the most powerful man in the megaverse. And he is putty in the hands of the woman he loves. Miriam Quillan lost everything to the intergalactic war that claimed her first husband's life. But in the arms of the Burgon, she will come alive and her body will ache for want of his. Like a sensuous lick of flame over a coverlet of satin and lace, a love so pure and a lust so overpowering will claim the Burgon and his lady to push all thoughts of war aside. Hot hands, warm mouths, and bodies throbbing with uncontrollable heat on a tropical world will set ablaze a roaring inferno of passion in the coldness of space. While a stand-alone story, for better reader enjoyment it is recommended the WindVerse books be read in order.
