

English Onboard Train Atmos (sfx Sound Effect Wav)

[DOWNLOAD HERE](#)

This file was recorded onboard a late night train leaving from Central London and contains a low level of people chatting. All files on sale by Sevenleaf SFX have been recorded by professionals and are available for you to download as 16 bit 48kHz stereo wav files. Previews are low quality mp3 files with security watermark beeps. Purchased files are broadcast quality wavs without watermarking.
