Beautiful and genuine folk-pop, complete with heartbreaking lyricism, captivating vocals, and elegant arrangements. 9 MP3 Songs FOLK: Folk Pop, COUNTRY: Country Folk Details: Charlotte Kendrick fuses elements of folk, pop and rock to create a new, unique voice in music. Her debut release, I Get Stupid, displays a skill for catchy hooks, and introspective songwriting, reminding listeners of Norah Jones and even Joni Mitchell. (Incidentally, it was after her Joni Mitchell cassette broke while in the Peace Corps that Charlotte started writing her own music.) After only several months playing in New York City clubs, many already feel Charlotte Kendrick is destined for stardom. Her beautiful, genuine voice, combined with personal, heartbreaking lyricism, is sure to captivate audiences - whether live or purposely stuck in your stereo.
