

Mp3 Chris Semers - Club Time

[DOWNLOAD HERE](#)

Chris Semers album Club Time is basically all dance music. It is Pop mixed with Freestyle and a little techno. People say that he sounds similar to Justin Timberlake and the style type of the music is something like Britney Spears Album In The Zone. 8 MP3 Songs POP: Bubblegum Pop, POP: 90's Pop

Details: Chris's first Major label album coming out Winter 2005/2006 it will most likely be called "InTRo-DUCTION " look for it in stores and on radio! chrissemers is down for the next couple of months!

CLUB TIME INFO: " This is me now, I'm having fun writing lyrics about going to party's and crushes and its just fun!" 15 year old singer Chris Semers, Is Possibly music's next Justin Timberlake! With Great dance tracks and cool lyrics this album speaks to everyone. Chris started his music career at the age of 8 just singing in school play's and now at the age of 15 Chris has his first album out "Club Time" The name speaks for itself. It is an album dedicated to fast music and the whole thing is danceable. "Leave Me Alone" The first single off the album is an awesome song that is just fun to listen to. "I had so much fun recording this album" says Chris "The producers have been so nice, and I got to do what I wanted to do... make a FUN album!" CALL YOUR LOCAL RADIO STATIONS AND ASK FOR "It Can Happen" The latest single from CHRIS SEMERS!!! you can also request chris's first single "leave me alone"
