Roots rock alt.country 9 MP3 Songs COUNTRY: Country Folk, ROCK: Americana Details: "How do you spell "Canada"? These days I spell it D-A-V-E-L-A-N-G. Dave Lang has lived all over Canada, from Victoria to Inuvik to Regina, and in his travels he has discovered what Canada sounds like. Like a 21st century Stompin' Tom Connors, he has delved so far into the Canadian identity that he has begun to embody it. On Big Mountain Indian Plains Dave captures that authentic Canadian vibe that makes you feel as though you are sitting at a cold outdoor stadium with a thermos of Tim Horton's coffee watching the Winnipeg Blue Bombers play the Saskatchewan Roughriders and laughing with your buddies about the story you heard where Burton Cummings had to go to emergency because he got stung on the scrotum by a bee." - Andrew Pearson, Red Cat Records
