

# Mp3 Dudley Smith - When I Worship You

[DOWNLOAD HERE](#)

Praise and Worship 12 MP3 Songs GOSPEL: Contemporary Gospel, GOSPEL: Traditional Gospel

Details: Dudley Smith was known for his stirring performances back in the late '80s, at which time he received major Radio and TV video air-play. He is much traveled as an singer, holding concerts all across the US, Canada, Latin America, South Africa, West Africa, Botswana, and Brazil. His music has been played on numerous college and commercial stations across the nation. Dudley has focused his musical career on reaching people of all walks of life; and he is doing it by sponsoring free 'Outreach Concerts' throughout the region. Now he's picking up from where he left off. He is back with a powerful new presence, passion and musical freedom that is sure to brand him as a major artist, and bring him to the forefront of the industry; as a performer, writer and producer. He has a freshness that reaches right where we live". His music is more vibrant as ever, and he is getting favorable reviews on many Internet sites where his music is posted.
