This recording presents some of Lovecraft's early works through narration, dialogue, sound effects, and music. The original interludes are inspired by Lovecraft's pantheon of characters. 10 MP3 Songs in this album (72:50) ! Related styles: SPOKEN WORD: Audiobook, SPOKEN WORD: Storytelling Details: H.P. Lovecraft on CD - Horror inserted through the ear canal This terrifying audio compilation gathers together three tales from Lovecraft's early works. Narration is joined by sound effects and musical composition to elevate the stories beyond audio books. Original interludes present familiar Lovecraft characters with a comedic twist and serve to as a distraction from the horror that awaits in the tales that follow. A visceral audio experience transports you to a realm where humanity is neither present nor accounted for. 'Oh, that Afriky book? Cap'n Ebenezer Holt traded me that in 'sixty-eight - him as was kilt in the war.'" -Excerpt from Picture in the House You may want to avoid listening to these recordings if you are alone and despairing. Such an environment could lead to wild hallucinations or worse yet, a warped perception on reality. We cannot be held responsible for any such happenings. It is at night, especially when the moon is gibbous and waning, that I see the thing. I tried morphine; but the drug has given only transient surcease, and has drawn me into its clutches as a hopeless slave. So now I am to end it all I cannot think of the deep sea without shuddering at the nameless things that may at this very moment be crawling and floundering on its slimy bed worshipping their ancient stone idols and carving their own detestable likenesses on the submarine obelisks of water-soaked granite. I dream of a day when they may rise above the billows to drag down in their reeking talons the remnants of puny, war-exhausted mankind of a day when the land shall sink, and the dark ocean floor shall ascend amidst universal pandemonium." -Excerpt from "Dagon" In essence we strongly urge you to listen to this collection with the utmost caution and awareness for the path to madness you will undoubtedly embark upon. Also be sure to share this

experience with all your friends and family, such mental anguish should not be hoarded by any one mind.
