

Mp3 Jennifer Danielson - Fallin' In

[DOWNLOAD HERE](#)

"Drawing heavily on the jazzy folk-pop tradition established by the likes of Joni Mitchell, Joan Armatrading, Rickie Lee Jones and Van Morrison, Danielson definitely has the big league vocal arsenal required for inclusion in that rarefield company." -Jim 10 MP3 Songs BLUES: Jazzy Blues, FOLK: like Joni Details: Jennifer Danielson's first release on Trailer Records, Fallin' In, brings a powerful and refreshing new voice to the Trailer family. This release follows her 1999 debut indie CD, Human Nature, and features 10 original songs performed with Iowa City artists Greg Brown, Bo Ramsey, Dave Zollo, Rick Cicalo, Bob Black, Joe Peterson, Tom Chute and Anton Hatwick. In the words of reviewer Jim Musser, "Drawing heavily on the jazzy folk-pop tradition established by the likes of Joni Mitchell, Joan Armatrading, Rickie Lee Jones and Van Morrison, Danielson definitely has the big league vocal arsenal required for inclusion in that rarefield company."
