Adult Contemporary 8 MP3 Songs POP: California Pop, EASY LISTENING: Soft Rock Details: Jimmy White is a New Jersey based singer songwriter that has hit the charts in a big way over the past year. In 2006, both Change My Life and One Track Heart, from Jimmy's first album, One Track Heart, hit number one on the STS Adult Contemporary charts. Jimmy's current single, My My Maria, has just been released and is rapidly climbing the AC charts as this is written. In 2006, Jimmy received a nomination for Best New Artist at the New Music Awards in Hollywood, CA and was a crowd favorite at the Red Carpet entrance ceremony prior to the show. Jimmy's style ranges from power pop and rock, to romantic ballads, with a writing style and range that parallels some of the great pop songwriters that Jimmy has loved, such as Brian Wilson, Billy Joel and Don Henley. Jimmy's raw, emotional singing style puts you smack in the middle of the heat and power of his songs and you will know that you are listening to someone who has lived what he is writing about. One Track Heart is a masterful accomplishment from from the most important new presence on the pop scene today, and his name is Jimmy White.
