

Mp3 Kris Tranter And Rob Furman - Teachable Moment

[DOWNLOAD HERE](#)

Motivational and inspirational music for the teacher in all of us. This music is everything from piano meditations to traditional pop music. Real music by real musicians. 8 MP3 Songs EASY LISTENING: Soft Rock, EASY LISTENING: Mood Music Details: Teachable Moment There is a teacher in all of us. As a parent you are your child's first teacher. Without you they would never learn to walk or talk. They would never learn the meaning of love, respect and faith. As a brother or sister you are your sibling's teacher. You are the model they look up to. You are their hero. As a worker you are a teacher. You are looked upon to see how a job is to be done, with style and grace. Everyone is a teacher. This CD is a celebration of the teacher in all of us. It is an inspirational CD that takes a look at some common themes that teachers must endure daily. It is also meant to be a meditation CD since all teachers deserve a time to take a break and have some time to just relax. Here is to the teacher in all of us! Kris Tranter Kris Tranter was born and raised in Elizabeth PA near Pittsburgh PA. He is a highly accomplished musician and songwriter as well as a top rated teacher. His degrees are from West Virginia Wesleyan and Duquesne University. He wrote all the songs on the CD with many more for future volumes. He is a fantastic guitarist as well as a vocalist and piano player. He is currently a high school choir director in the Pittsburgh area. Rob Furman Rob Furman was born in McMurray PA near Pittsburgh PA. He is also an accomplished musician. His degrees are from West Virginia University in percussion and Duquesne University. He is currently working towards his Doctorate at Duquesne University. Rob was also the engineer on the CD. He was a music teacher for ten years before becoming the principal of a Middle School. RTL Studios RTL Studios is a home based studio in South Park PA near Pittsburgh Pa. Kris Tranter and Rob Furman did all the work at this studio. For more information on the studio go to rtlstudios.com.
