When Mama Bear wakes up, her cubs are already half-grown! Isn't that great? However, real bears don't get to sing and dance to great animal songs and music. But YOU can! With our "Three Bears," "Alice the Camel," and "Suzanna--the Mighty Fine Ham," and the rest of the herd, you will soon be singing and dancing along, and sharing this fun music with your friends and family. Each character has a fun story to tell. So, don't hibernate! Listen, laugh, and sing along with these stories and songs of bears, pigs, goats, and everybody else. And remember, they are best enjoyed with family and friends! Singer Larry Swenson is joined by his friends, Gloria Mason Martin, Joe Martin, John Van Zanten, Lindsey Johnson Suddarth, Lyn Deadmore Taylor, and Stan Taylor, in their third CD of children's songs. Children love the songs, and adults love the humor written into the music.
