An energetic, catchy power-pop/punk-rock sound with a blend of grunge. 11 MP3 Songs ROCK: Punk, ROCK: Modern Rock Details: Comparisons of their music have ranged from Nirvana to Green Day, but their sound is unique enough to stand on it's own. They are an energetic blend of rock, grunge, and punk with a catchy sound you can listen to over and over again. Dave (bass) Brent (vocals guitar) come from neighboring small towns (Cisco Eastland) in West Texas. They have been working together on their songs for the past 5 years with Brent writing most of the music and Dave writing most of the lyrics. Shawn (drums) joined them with his "God of Thunder" sound in the fall of 1999 to complete the band. In 2000, they were nominated by DallasMusicfor new band of the year. They have played primarily in the Dallas area, but have also played in East West Texas, Louisiana Arkansas.
