Details: Hi, I got four dog's two cats and a wife. All of them I like writing song's about. Any thing is fair game, I wrote a song about the "Lucky Pencil" that I found in the street! All my songs are true, there about things that really happened. #1 is about going camping #4 is about my Grandfathers barn and going there as a kid. #9 is about when the circus came to town. My wife said "you turned it into a protest song" yes I did! This music is fun and lots of stuff to think about, it's all about the words. enjoy-mark
