Folk/Roots with Country and Jazz undertones. Music with emotion. 6 MP3 Songs

FOLK: Folk Blues, **COUNTRY:** Bluegrass Details: Melissa Plett's songs remind you that you are a part of the universe; intrinsically, a part of all things: laughter, sadness, life and love. What began at an old piano back home, in the country, has now moved to the stage. Having found her element, Melissa now sings her songs for all who want to listen. With a beautiful soulfulness that reminds the listener of old feelings and past loves; with lyrics that are edgy and powerful; it's through her music that you understand who Melissa is. You'll find yourself laughing out loud as you sing along to the lyrics of "Uh-huh", and then feel seduced by the pang in your heart as you listen to Melissa's train-wreck lyrics on "Rooted In You". Her honesty grabs your attention, and you'll find yourself sharing in her vulnerability. Melissa was accepted to theatre school in New York, but opted to try her luck acting in Vancouver. Unsatisfied, and feeling the need to soak up as much life as possible, she set out on the road, moving from province to province, feeling inspiration everywhere she went. Melissa picked up a guitar and hasn't stopped writing or playing since. Melissa showcased at the 2005 Winnipeg Folk Festival and released her first recording project, Melissa Plett - Repeated Stories EP, in January 2006. Her voice has been described as unique and powerful by many who have had the chance to hear her sing. The stories she tells in song have the ability to move people, making them relate to their own life, and personal history. "She made a strong impression. She is a natural live performer with a strong, beautiful voice. She is totally at home on the stage" - Jason Ringenberg (from Jason and the Scorchers)

Melissa Plett is a singer-songwriter who draws on a wealth of experience and emotion that belies her youth, to craft a soulful, jazzy, country-tinged, roots/folk mlangé that is as unique as it gets. Whether it's sad lyrics delivered with happy melodies, aching vocals of heartbreak and longing, or songs of unbounded optimism, Melissa surrenders her songs with a moan or a

laugh that reaches deep and makes you feel - Bruce Ladan (The Buzz on FREQ 107) "Melissa Plett's word's and music speak to that part of us which we are mostly ill-equipped to express. As a musician, she is pure and sincere; as a performer she's dynamic and passionate and laced with purpose and mischief. Melissa Plett's music is beautifully light reprieve for the heavy-hearted. Uh-huh." - Rene Huebener (Writer/Producer)
