Show all album songs: Save The Day Songs Details: By looking at reviews.. Mike's latest effort is his best. Save the Day, is a c-d of original songs...that combines a distinct acoustic sound.. with a cool vibe...of voices...melodies and lyrics. Recorded in Nashville, but not your typical Nashville sound. Producer Steve Gibson's background includes many pop artists and hits. Save the Day... has a splash of pop, country.. and a great sound in the ballad in "Doin' Fine Now". This c-d is good. Well-written, solid music... you don't hear much of these days. And no throw-away songs!! Mike says he never writes message-songs... But listen closely and all of these songs include.. a statement..that's cool and positive. See what you think!
