

## Mp3 Perla Batalla - Heaven And Earth

[DOWNLOAD HERE](#)

explosive vocals soar above an undercurrent of pulsing percussion and haunting harmony. a unique cross pollination of Latin and North American influence. 11 MP3 Songs POP: Folky Pop, FOLK: Folk Pop Details: Long before setting off on her solo career, Perla Batalla's astonishing voice had been in great demand for a host of singers from kd lang, Jennifer Warnes, Iggy Pop, The Gipsy Kings and Was (Not Was). They, in turn, had discovered this native Californian Hispanic songbird from her years with Leonard Cohen, with whom she toured and recorded from 1988-1994. The experience with the renowned poet was a life-changing one for Batalla, in which she took both cues and encouragement from the singers vast talent and genuine humanity. Perla's road to becoming an artist in her own right has been highlighted by delving into her cultural roots, where rich soil awaited. The homage to her Latin background has opened up an entire world of music and has been the inspiration for her newest and finest work, "Heaven and Earth".
