The Poor Benny repitroire includes traditional fiddle tunes, vocal numbers from such legendary performers as Clarence Ashley, Uncle Dave Macon and Charlie Poole as well as traditional percussive dance. Make you want to dance fiddlingNice selection of tunes and songs, some familiar and some obscureA little something for everyone. Brad Leftwitch Well executed ensemble sense of rhythmwhen they put the time where they want it on a tune, it will stay there. The players are all strong and sure of themselves, individually yet also work well together. Old Time Herald Review We got the CD yesterday and listened to it right away. Great selection of songs and tunes, nice balance of vocals and instrumental, good playing and sound mix. A job well done. Bob Bovee This album is the one I pop into the player every time Im working in the kitchenIt has been full of fresh delights each timeThere is a back-porch truth and poignance, that I love in their singing.
