Italian native rapper with hip hop reggaeton club bangers 7 MP3 Songs HIP HOP/RAP: Hip Hop, LATIN: Latin Rap Details: RiZZ a.k.a. "The Kidd" was born in Toronto Ontario to Italian Immigrant parents. As a young child he was always fascinated by the world of Music and Hip Hop in particular. Always known as an agitator and ladies man, RiZZ began his music career as a DJ in High School selling mix tapes and spinning at parties. As a DJ he always knew how to get the crowd pumped up. RiZZ had a gift, a gift that would prove to serve him well as a Hip Hop artist. RiZZ was able to feed off of the energy of the crowd. He knew what the party needed before the party-goers even knew. The more you pumped him up and encouraged him the crazier it would get. He would even rap and freestyle his own verses over instrumentals; this is when he realized that rapping was all he wanted to do in life, it was his gift. Day in and day out RiZZ dreamt about one day becoming a Hip Hop superstar but it wasn't until the winter of 2003 that his dream would begin to be fulfilled. He began to record his project which was set to be released independently. RiZZ was determined to succeed. In early 2006 he teamed up with long time friends and producers G1e Productions from Orlando, Florida. Along with fellow Orlando rapper T-Greene he revamped his style and came back to Toronto. Upon his return RiZZ and his family formed The Outfit Records. From this venture comes the new club anthem Ready 4 It. To further engage into the industry RiZZ and the Outfit Records turned their attention to the television audience and created Ready 4 It the music video. RiZZ is currently recording his new album which is set for a 2007 release.
