Old school rock fused with a bit of jazz and some great vocal performances 10 MP3 Songs ROCK: 70's Rock, EASY LISTENING: Soft Rock Details: Award-winning singer/songwriter Rob Ariosto and the extraordinary Sonic Arts Band return with their 3rd album together....CITY LIFE. Rob's songs tell stories that capture the rich tapestry of beauty, grit, sadness and joy that are all part of living in the city. The music is a combination of old-school rock fused with a touch of jazz and combined with great vocals and wonderful lyrical imagery. The outstanding musicianship of guitarists Scott Gilliam and Ken Safety, violinist Steve Scholz, bassist Ron Ciaburri, drummer John Murphy, along with Rob's work on keyboards and tenor sax is very impressive. If you close your eyes, you will be transported to the time and place described in each song.....and each song is a chapter in the life in the city. CITY LIFE will hold you, rock you, and carry you away.
