Smooth New Age Jazz to tantalize. Everything on here is mellow and refreshing, with lots of textures colors. 10 MP3 Songs JAZZ: Smooth Jazz, NEW AGE: New Age Details: This is the second mellowest CD we've got. It's a re-release of Robert's first recording, originally out in 1991, and it's a mix of "Smooth" "New Age" Jazz. We've re-mastered it and are proud to be releasing it for the first time on CD! It is a very calm and introspective collection of ten Kyle originals. We think you'll like it a lot!
