Roots/Dancehall Reggae Caribbean Beat Music. 16 MP3 Songs URBAN/R&B: R&B Rap mix, WORLD: Reggae Details: This album is a coming together of the music in the message and the message in the music. With a harmonious deliverance by Tampi of his Roots Rock Reggae conscious vibration there is something for everyone in his music and the world can be a better place with his message; Roots Reggae, Roots Rock, Roots Dance Hall, Roots Roots and more Roots. Tampi, a former lead singer for Affinity and Positive Cause Reggae Band, who has released several albums and singles, had limited success with his single "Don't give up African people." Once again, Tampi has added a surprise mixed into his album that showed his versatility, seen in his live performances. The rappers Dollar Mam and Squidly have added their voices to this album with their conscious lyrics and modern sound. This album has been a labor of love and is dedicated to all the children of the world.
