Absolute Obscurity Records DJS Reviews for Tony Stoufer's "One Swell Foop" 1. annie compton-schmidt, kfrf 102.3 fm fresno, ca That is a great c.d. and it will receive air play, thanks for including us in on that one. 2. Brad Hartwell, WSCS 'Music from The Cosmic Wheel' New London N.H. Hey Tony, I gave 'One Swell Foop' a listen. I think it's great! Compositionally, it is really strong. Choice of instrumentation is way into the future. There is not a weak track on the whole cd! I hear a lot of new music every week, and your cd has a new, refreshing sound. Congrats. 3. Nicky Kellar, WOJB FM, Hayward, WI. Hi Tony, yes, we received your album, I really like it, it's in light rotation at the moment, it's starting to catch on with the on-air folks, Thanks for music, Nicki Kellar 4. Athlynne Tyler, WRAS Atlanta I received the Tony Stoufer CD and really enjoyed it. Thank you 5. Dave Butler, InnerVisions Hi Tony, I've listened to your CD and I'll definitely be using it on InnerVisions. . I liked the sound Thanks 6.Bhim Singh-Reyes Host CLOSE TO THE EDIT The Voice @91.5/88.7 I am totally impressed with this one. Very extremely delicious funk and space mix. Loved every song on it 7. Wade- WMNF and WFIT Tampa Tony, I played your c.d. yesterday and all I can say is 'WOW!' I am on two radio stations in Florida, WMNF and WFIT. MNF has already played it Keep up the good work! Yours truly, WADE 8. Flying Man WAWL Chattanooga State A seriously enjoyable and uplifting approach. Lively grooves and rhythms floating on electric ambience. Enough to encourage dancing. My picks: The Life of Louie, Nudie Suit, Clusters, and The Magnificant Catastrophy. Absolute Obscurity Records 1616 Brandee In Santa Rosa CA 95404
