[DOWNLOAD HERE](#)

Lyric-driven indie/antifolk featuring acoustic guitar, keyboard, cello, and female vocals. 6 MP3 Songs

FOLK: Anti-Folk, ROCK: Acoustic Details: Tonya Gilmore began performing with the group The Penelopes in 2002 in LaGrande, OR. During that time, she self released the album "Trip the Light Fantastic". After a one year break from performing between 2005 and 2006, she began performing solo at venues in the Northwest and self released the album "Light Fixtures and Telephones". After moving to St Louis, MO, Tonya continued to perform solo and the album "Life Science" was produced by Jim McKinney. In December 2007 Tonya Gilmore started to collaborate with cellist Tyler Davis, and in January 2008 they recorded a six track demo. Currently, Tonya Gilmore and Tyler Davis are working with a percussionist and performing as 'Little Anodyne The Red Wallpaper' and plan on releasing a full album before 2009.
