

A Population History Of The United States - Herbert S. Klein

[DOWNLOAD HERE](#)

The first full-scale, one-volume survey of the demographic history of the United States has been fully updated here. From the arrival of humans in the Western Hemisphere to the current century, Klein analyses the basic demographic trends in the growth of the pre-conquest, colonial and national populations. From the origin and distribution of the Native Americans to late 20th century changes in family structure, fertility and mortality, this updated edition incorporates recent research, including data from the 2010 census. In this definitive study, Klein explores regional patterns of fertility and mortality, trends in births, deaths and international and internal migrations, comparing them with contemporary European developments. The profound impact of historic declines in disease and mortality rates on the population structure of the late-20th century is explained, while the more recent urbanisation and rise of suburbia are examined within the context of new massive international migrations on North American society. Author: Klein, Herbert S. Publisher: Cambridge University Press Illustration: N Language: ENG Title: A Population History of the United States Pages: 00296 (Encrypted PDF) On Sale: 2012-05-31 SKU-13/ISBN: 9781107015982 Category: History : United States - General
