Finally learn how to use your blog as a cash machine and stop wasting your time! This book is one of the most valuable resources in the world when it comes to the network marketers guide to leads through blogs! Networking is an important part of growing any business endeavor and using the blogging tool is another way of reaching the target audience effective and quickly. Understanding how blogging contributes to this end is as important as knowing how to apply this tool. The problem is that many people don't know how to use this tool correctly. Is your unmotivated behavior making your business life less

fruitful than it could be? Does it seem like youve tried everything in your power to figure out how to use your blog, and yet, despite your best intentions, youre still plagued with: Not knowing how to figure out your target market Not understanding even where to start with relevant material Not knowing how to use keywords or opt-ins If this describes you, you are in the right place my friend... First, you are NOT alone! It may seem like it sometimes, but not understanding how to use blogs is far more common than youd think. I ought to know, because I struggled with this very issue myself...
